NEW USA FUNDING AGREEMENT

1. The Board of Directors of IMF Bentham Limited ("IMF") is pleased to announce the funding of a further case in the United States by IMF's wholly owned subsidiary, Bentham Capital LLC ("Bentham USA").
2. As stated in our announcement of 17 May 2012, IMF has taken the policy position not to disclose specific details about Bentham USA's investments other than to describe them in a general manner until after resolution of each case. Each funded case will however now be ascribed a matter number.
3. This new matter number US022 involves the funding of a breach of contract case in an arbitration in the US.
4. IMF will include the claim value of this case in its Quarterly Investment Portfolio Reports as they are published.
